Idaho Cattle Association Welcomes Britany Hurst as Office Coordinator

The Idaho Cattle Association (ICA) would like to announce the addition of their new office coordinator, Britany Hurst, of Boise, Idaho. Hurst was born and raised in Heyburn, Idaho. Recently, Hurst graduated from Boise State University, with a bachelor's degree in History and Political Science. Hurst will begin her duties at the ICA office in Boise on December 19, 2011.

"We are very excited to have Britany on board," says Wyatt Prescott, Executive Vice President of the ICA. "It is refreshing to work with someone who knows the value of rural Idahoans and is eager to be a part of the political process, to assure that their livelihoods are protected. Her upbringing and education focus will significantly benefit our office and our members."

Hurst was drawn to the ICA because she has always been interested in the non-profit political arena, saying "this is an industry I know the importance of and really care about."

Britany is the daughter of Tim and Becky (Egbert) Hurst, of Heyburn Idaho.

The Idaho Cattle Association works on behalf of the more than 10,000 cattle producers in the state of Idaho and has a membership of nearly 1,000 members. It is the only organization in the state that deals exclusively with the needs, interests and welfare of Idaho's cattle industry.
